

A Time of Corporate Prayer

Wednesday, August 17 through Friday,
August 19, 2011

In Cooperation with Germantown Baptist Chapel
and New Day Christian Ministries

Purpose

For three days, a group of Pastors will meet to discuss a false doctrine plaguing God's people; namely, Sonship Theology, and otherwise known as "Gospel Sanctification" or "New Calvinism."

It is our intention to support these lovers of the "pure milk of the word" "with prayer and supplication, even as they contend for the faith once delivered to the saints.

Summary

The prayer will take place at the home of Paul and Susan Dohse. Prayer teams will be scheduled throughout the three days. In the room where the prayer will take place, other concerned Christians will join us by webinar from various locations worldwide.

Each time frame will also include readings from Psalm 119 and precatory prayers prepared and offered up by team members.
